ARB12BLK

Term Tech All Round Fixing Band 12mm x 10m with 5mm Fixing Holes Black Powder Coated Galv Steel

The Termination Technology range of All round fixing band is a versatile product range used to manage and tidy cable installations, secure conduits and pipes with many more superficial uses across the construction industry. Available with LSF Powder coating in various colours to help colour code installations or as a bare galv steel or copper option to provide increased corrosion protection. Supplied on a 10m length in a durable dispensable case ready to reel off and use.

Technical Data

Colour and Material

Material	Pre Galvanised Steel
Coating Colour	Black
Coating Material	Powder Coated

Dimensions

Fixing Hole (mm)	5
Product Length (m)	10
Product Width (mm)	12

Temperature and Fire Information

Max Operating Temperature (°C)	150
